Lt. Carl M. Hammer
Camp Kilmer
New Jersey

Dear Sir:

I have been reading so much about one of the ballplayers on your camp team, I am writing to ask you to assist me in making contact with him, in view of giving him a try out with The Eagles when he leaves the army. The name of the man in question is Sam Odom.

How late are you going to play ball at Camp Kilmer? It may be possible we will be able to come down for another game if you would want us to. We are at present in first place in our league and hoping to get into a playoff. If we do I am sure we will have some idle days.

I will appreciate very much hearing from you if Odom is interested in playing ball professionally when he leaves the army.

Thank you for any assistance you give me in this matter.

Very Truly Yours
